Chapter 1

CONNECTEDNESS

Last section contains lost continua.

1.1 Connectedness, arcwise connectedness, continuumwise connectedness (continuum chainability)

The arc-like continua are beautiful

1.2 A cut point (the complement is not connected); a separating point (the complement is not continuumwise connected)

The arc-like continua are beautiful

1.3 Components, quasi-components, composants. Arc-components.

The arc-like continua are beautiful
